Kanban

Visual Board

Kanban Practices

1. **Visualise the work flow**
2. **Limit the WIP**
3. **Manage Flow**
4. Explicit policies
5. Implement feedback loops
6. Improve collaboratively

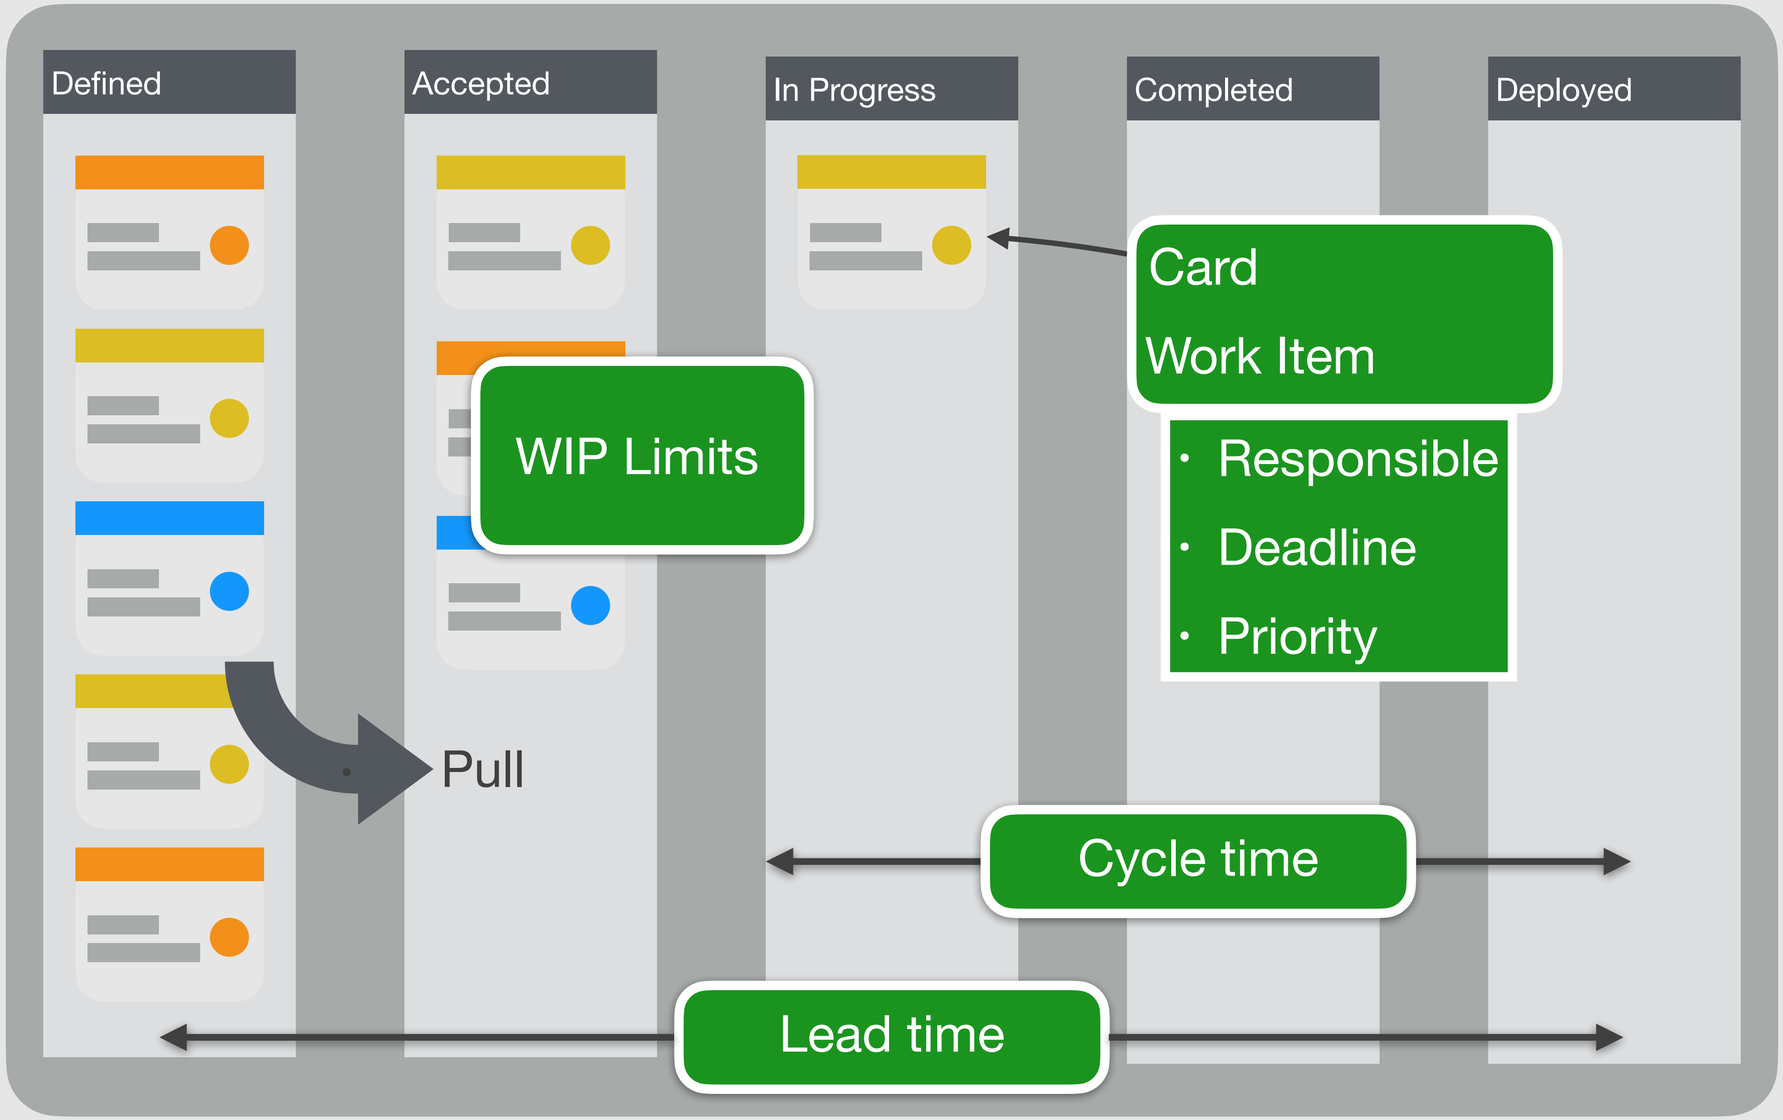
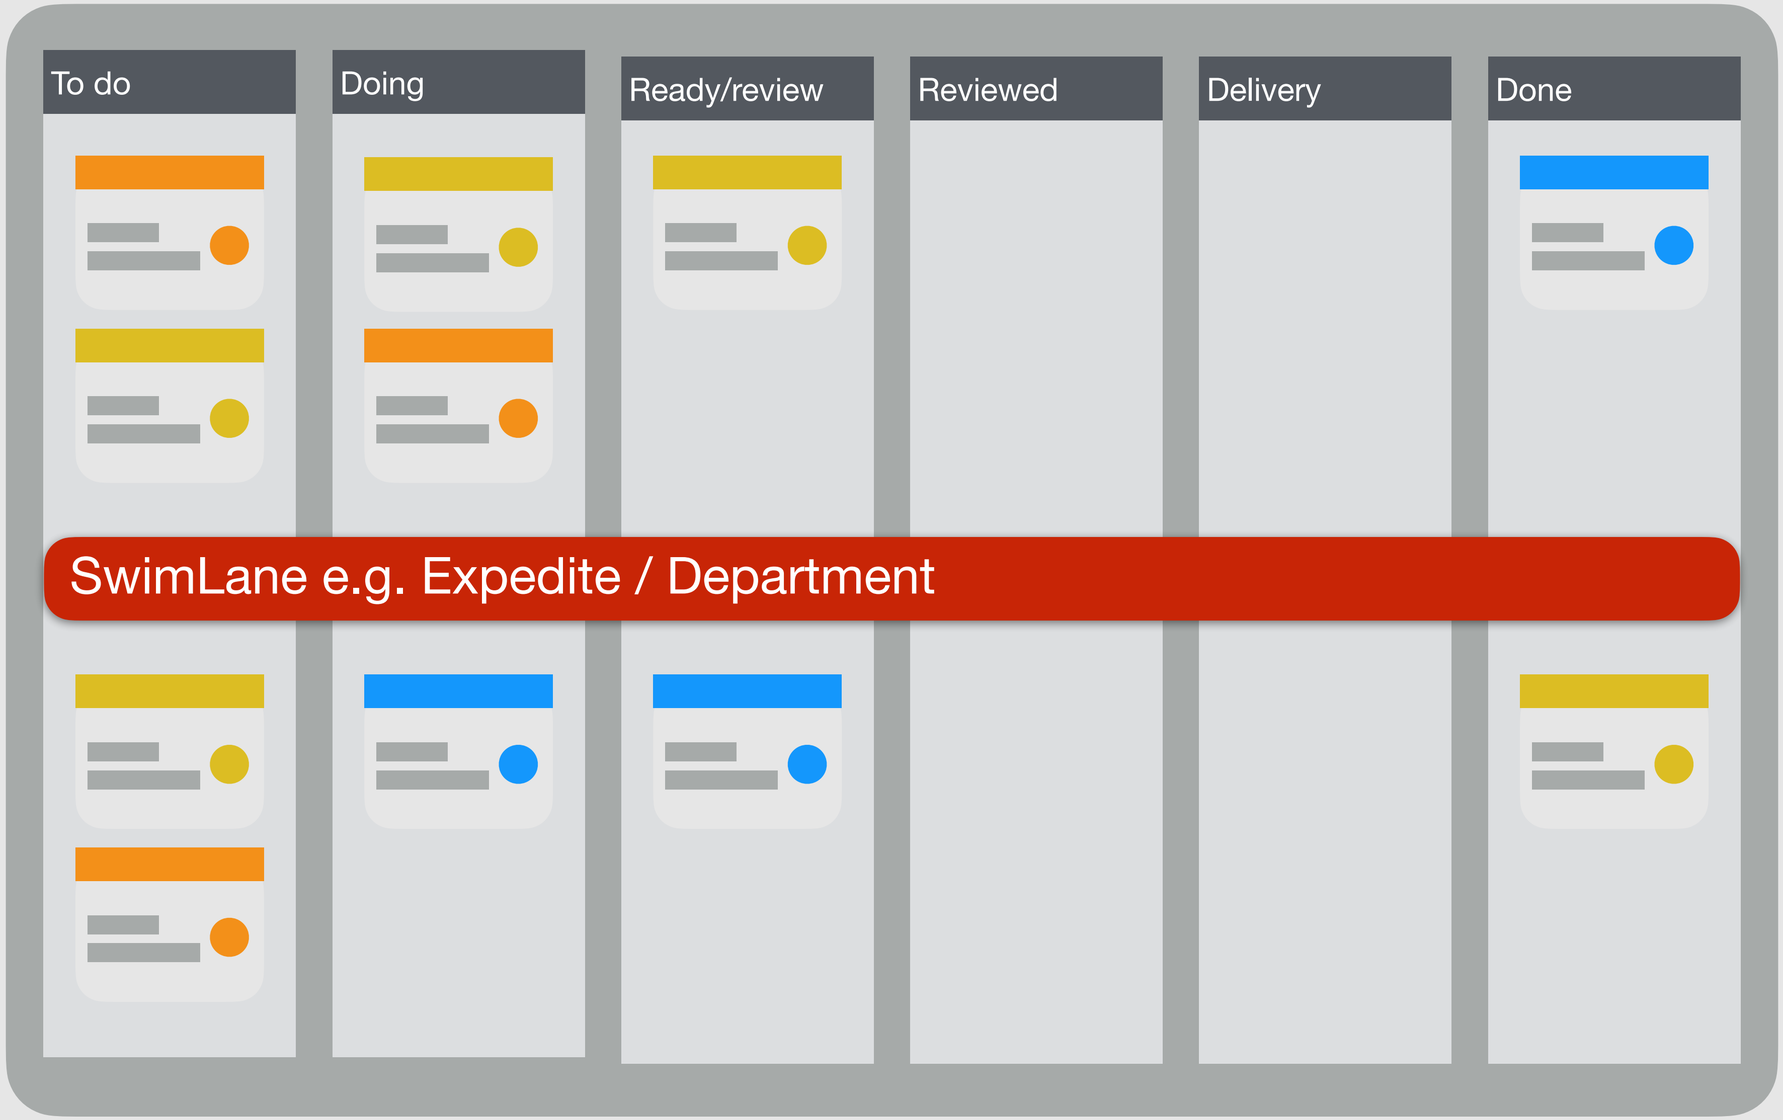
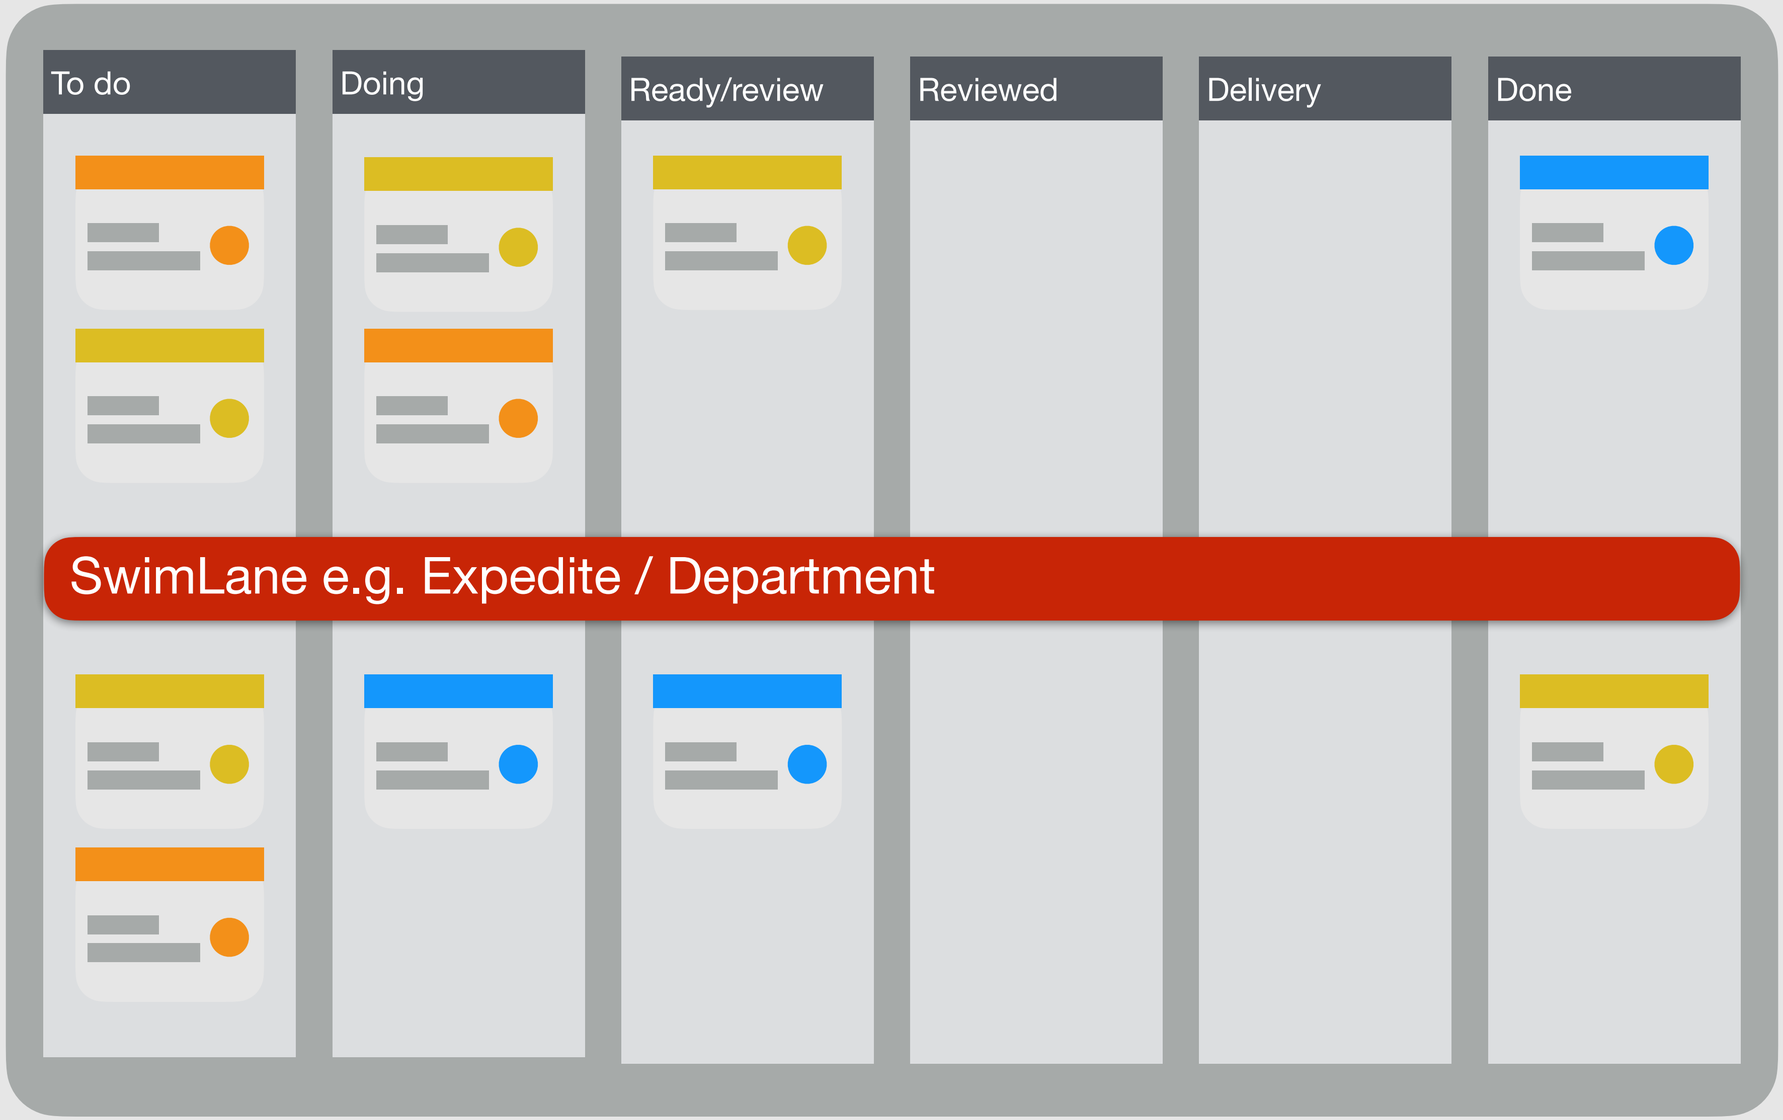
Kanban Board - Visualise work flow

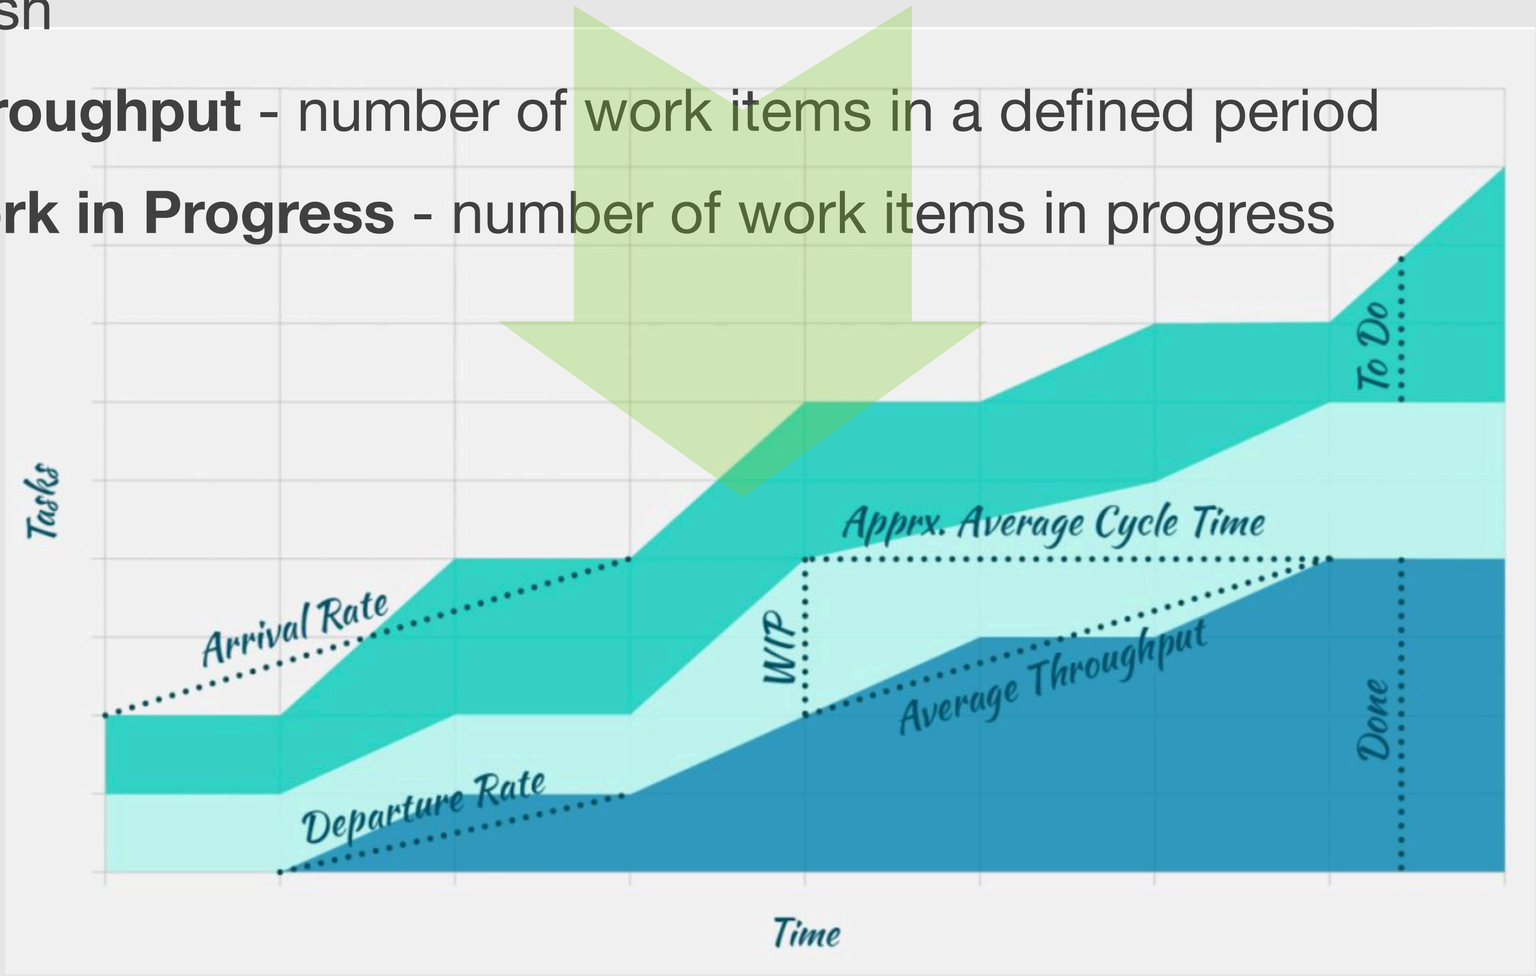


Kanban Board - Swim Lanes



Kanban Board - Swim Lanes



Manage Work Flow - Metrics


- **Cycle Time** - average **<u>actual</u>** time for work item from start to finish
- **Throughput** - number of work items in a defined period
- **Work in Progress** - number of work items in progress
